Dominic Garnett is your guide to the essentials of river angling, from basic watercraft to common methods and fish species. Of all the places to fish in the UK, rivers are a firm favourite with many anglers.

A beginner's guide to river fishing - Lines on the Water

For beginners we'd recommend casting spinnerbaits and/or crankbaits, because both are fairly simple to use. All you have to do is tie them to the end of your line, cast them out, and retrieve them. Remember to try near shoreline structure such as fallen trees or docks in moderate weather, and probe deeper waters when it's very hot or very cold outside.
