Ebooks are available as PDF, EPUB, Kindle and plain text files, though not all titles are available in all formats.

Manual Of Clinical Microbiology 8th

At 1773 pages, the "Manual of Clinical Microbiology" is a good (medium size) reference for a clinical or diagnostic microbiologist. It offers detailed information on both practical and theoretical aspects of the subject. Its authority is unquestionable.

Manual of Clinical Microbiology, Vols. 1 and 2: Eighth ...

The manual of clinical microbiology, published by ASM Press, is a favourite of mine because of its immense detail and vast coverage of the field. The first edition was published in 1970, with subsequent editions following at four to six yearly intervals, and culminating in this 8th edition, which has been expanded into a two volume set with 141 chapters and 2113 pages, written by 230 authors and an international editorial board composed mainly of microbiologists from the USA.

The first edition was published in 1970, with subsequent editions following at four to six yearly intervals, and culminating in this 8th edition, which has been expanded into a two volume set with 141 chapters and 2113 pages, written by 230 authors and an international editorial board composed mainly of microbiologists from the USA.

Manual of Clinical Microbiology, 8th Edition | Journal of ...

For clinical microbiologists, it is the Manual of Clinical Microbiology (MCM). Some 30 years after the first edition appeared, the MCM is now in its eighth edition, in 2 volumes and 141 chapters spanning all areas of this expanding field. If there is one word that can be used to describe the MCM, it is, most assuredly, "encyclopedic."
