The Ethiopian Borderlands: Essays In Regional History from ...

The Ethiopian Borderlands: Essays in Regional History from Ancient Times to the End of the 18th Century. Historically, studies of Ethiopia, like those of other countries, tend to concentrate on events at or near the center of political power, and devote far too little attention to other areas. The present account attempts at least in part to redress the balance by shifting attention to the"peripheral" regions, which, while of central importance to their own inhabitants, tend.
