PreS-Gr 2—One green-filled spring, a single gold leaf shimmers and tantalizes the forest animals. A spry warbler snatches up the leaf for her nest, but quick as a wink, it's stolen by a chipmunk. Animal after animal plucks the precious treasure from its new owner until the leaf is nothing more than a pile of tattered pieces.

Shell gold is made by hand grinding gold leaf either 23.5 or 24k. It must be ground into very fine particles. It usually takes about 1-2 hours to grind real gold. Silver being a little harder takes a little longer like 2-3 hours. I spent 4 hours grinding this gold leaf and it was still very grainy and would not break down well.
