It is imperative to ride your horse to the limit each day, challenging his body and mind so that he grows into his potential over time. By riding to the limit, you keep your horse advancing in his skill, strength and suppleness. This does not mean to ride for a long time until your horse is lathered in sweat.

Four Major Lessons I've Learned on My Dressage Journey ...

The first level of training in Dressage Mastery is Basics or 'Foundation' level. This is the key to building your foundation for you as the rider and trainer for you and your horse. In having a solid base, it is easier for you to progress through the grades to get to where you want.

The Journey Training helped me in reconnecting to life experiences I had had as a child, that were effecting how I functioned with people and in my life. I had disconnected, and didn't remember or realize how it effected my life and was holding me back from succeeding and overcoming. Tammie S - Tulsa, OK.
