Lydia Dugdale's The Lost Art of Dying proves that there is often nothing more relevant to our present cultural moment than the wisdom of the past--in this instance, on the subject of how to face death. The book is based on a great deal of painstaking scholarship but is written in the most accessible style.

The Lost Art of Mentoring Sometimes new shooters don't need an instructor, they need a friend. Getting into the shooting game has never been easy for many adults, especially in the pre-internet age. If you came up in it and it was part of your culture as a child, that made learning how to shoot new things easier.
