The Mckinsey Way

The McKinsey Way, by former McKinsey & Company associate Ethan M. Rasiel, provides a through-the-keyhole perspective on the way this worldwide consulting institution approaches--and solves--the myriad professional problems encountered by its high-powered clientele. His goal, Rasiel writes, is simple: to communicate "new and useful skills to everyone who wants to be more useful in their business."

Don't expect the mystique and dark secrets of McKinsey to be revealed. The "way" is quite simple and obvious to experienced consultants; but probably what new consultants need to accelerate their technique. The style of the book is a little frivolous for my liking in places. It could do with a decent editor.
