Eileen Southern and the Music of Black Americans

Beginning with the arrival of the first Africans in the English colonies, Eileen Southern weaves a fascinating narrative of intense musical activity, which has not only played a vital role in the lives of black Americans but has also deeply influenced music performance in the United States and many other parts of the world. Dr. Southern fully chronicles the singers, instrumentalists, and ...

The Music of Black Americans: A History - Eileen Southern ...

African American music cannot be separated from the Transatlantic Slave Trade and the forced transportation of millions of African people across the Atlantic who were then enslaved. The cultures from which they were torn and the conditions into which they were forced both contributed to the sounds of African American music.

The History of African American Music | Encyclopedia.com

Early African-American Music The earliest forms of African-American music were imported with the slaves themselves. Slaves brought knowledge of West African musical instruments like drums, zithers, xylophones, and the banjo. Tribal dances from West Africa morphed into “step” dances, and tribal melodies became

The Evolution of African-American Music

For African Americans, this notion of musical uplift had a dual character. Oriented toward African Americans, it suggested that music could elevate and enrich a people abused by slavery and its aftermath. But music could also break down social barriers, demonstrating to society at large African Americans’ common humanity.
